**NEW MEDICINE.**  
Masta's Genuine Indian Vegetable Purgative Pills.  
THE most generally approved family medicine now to be had at all the principal stores in every village and town in this state and throughout the state of New Hampshire and Canada.  
For Bilious and Inflammatory Fevers, Indigestion, Headache, Dyspepsia, Liver Complaint, Costiveness, Dropsy, Jaundice, Cholera, Pain in the Stomach and Side, Heartburn, Perverted Appetite, Diarrhoea, Dysentery, Impure Blood, and all Derangements of the Biliary System.  
The proprietor has such confidence in these Pills, that he would say to all persons who may purchase a box of them, that if after taking one or two doses in accordance with directions, they should not be satisfied with them, the money paid for the pills, try them, and you will find them as good, if not better in many respects, than any you have ever used before. Do not say to yourself, I should be killed by a box of them, but there are so many kinds before the public already, that I should be willing to try them, and if they do not answer the test for every thing, that I have no confidence in any of them, believing them all to be made for speculative purposes. Without doubt, many proprietary medicines are too highly recommended, and made more for speculation than for the benefit of the patient. But these Pills will be found to answer as a general thing, the purposes for which they are designed.  
Try them and see for yourself, if you do not like them, return the box with the remainder of the pills and they will cost you nothing. Call for Masta's Pills and see that the name is on the box.  
For further particulars in relation to them, see pamphlet, sold in this village, and by most all the respectable druggists in the country.

FOR THE PROMOTION OF THE FINE ARTS, IN THE UNITED STATES.  
WAS incorporated in 1840, is managed by gentlemen without connection, and accomplishes its patriotic object, pursuing the following plan:  
Every Subscriber of five Dollars is a member of the Union for the year.  
The money thus obtained, after paying necessary expenses, is applied, in the first instance, to the production, from an American Painting, of a large and costly original Engraving, in the highest style of American Art.  
For every five dollars paid by him, EVERY MEMBER receives a copy of the Engraving. Every Member also receives an Annual Report, containing the proceedings and addresses at the annual distribution, a list of the members, &c., and sometimes an additional Work of Art.  
The residue of the money is applied to the purchase of American Works of Art—Paintings, Sculpture, &c.—varying in price from twenty to several hundred dollars.  
Each member is entitled to the Paintings being framed—are publicly distributed by lot among all the members, on the Friday before Christmas in each year, every member having one share for every five dollars paid by him.  
The member is entitled to receive in return, the value of the five dollars paid, and has also a chance of drawing a Painting, or other Work of Art of great value.  
The Larrabee, having been duly appointed Honorary Secretary of the A. U. for Middlebury and its vicinity, is ready to exhibit engravings published by the Association, and to receive subscribers' names, make remittances &c.
